About the New Brunswick Youth Orchestra

Founded in 1965, the New Brunswick Youth Orchestra (NBYO) invests in the lives of young musicians to help build their musical skills, awareness, appreciation and understanding. Education is provided through high-level coaching, performing and recording. All Orchestra members are between the ages of 10 and 25 and come from or attend school in New Brunswick.

An instrument adoption makes a great gift!

Why adopt an instrument?

The NBYO has been successful because of the passion of its conductors, the hard work of faculty and member musicians, and the selfless support of countless family, friends and volunteers. By "adopting" an instrument" you enable young New Brunswickers to continue their musical education at a world-class level. NBYO's mission is -- inspiring excellence among children and youth through the learning and performance of orchestral music -- enabling them to reach their full potential in life and in society
